EDUCATION

Rice University, Houston, TX

B.S., Computer Science **Aug 2016 – May 2020**

GPA: 4.0

EXPERIENCE

JPMorgan Chase & Co., Houston, TX

Software Engineering Intern **June 2018 - Aug 2018**

- Led a team of 4 interns in designing and developing an internal, CloudFoundry-hosted web application with React.js, Spring Boot, and MariaDB to enhance training experience for 700 technicians through "gamified learning".
- Prepared a Jira board and wrote comprehensive Javadoc and Swagger documentation to migrate the project to a full-time team.
- Helped host training sessions for interns and full time employees in firmwide initiative to shift teams to agile development.

Sri Academic Services, Houston, TX

Private Tutor **Aug 2016 - Dec 2016**

- Tutored one-on-one high school students in the Houston area in Computer Science, Math, and Economics.

Fishburn Violin Shop, Tomball, TX

Sales Associate **Aug 2015 - Aug 2016**

- Worked in a sales team of five at a local violin shop servicing six school districts in the northwest Houston area.
- Helped maintain rental logs for over 2,000 contracted customers, organized deliveries of rental instruments to public schools, assisted customers with instrument maintenance and repair.

SKILLS

Languages: Python, Java, C, JavaScript, Bash, SQL, Scala
Other skills: Vietnamese

PROJECTS

MarkovBot—Using the Groupy API, created a bot to process GroupMe user messages and generate Markov models for humorous imitation.

Morse Code Interpreter—Worked in a team of 4 with a Tiva C microcontroller to implement a light-sensor based morse code interpreter to facilitate "learning by doing" for morse code enthusiasts.

OTHER
ACTIVITIES

Vietnamese Student Association **Aug 2016-Present**

- Worked with other students on campus to host cultural and community outreach events.
- Helped organize and gave a workshop for the annual College Leadership Workshop for high school students in the Houston Area.
